Doctor's Name : Dr Wolinska

Date of Visit: 23/02/18

Feedback (please be specific):

Very good service overall  
good advice given  
lots of anaesthetic when I was still in pain it's nice  
that they didn't want me to feel any pain :D  
my only issue is that it's a bit expensive but I  
understand why so it's cool

Suggestions for change or improvement:
